Eternity's Endeavour Sat, 11 Nov 2006 15:48:20 +0000articles3823

Eternity's Endeavour is an update for Eternity: The Dreaming Dark. It is a complete update of Eternity's Endeavour and Eternity: The Dreaming Dark.

Roughly, Eternity's Endeavour and Eternity: The Dreaming Dark are very similar. But, since Eternity's Endeavour is a different story and Eternity is a different game (The Dreaming Dark and Eternity are both "Landscape" type games) we had two different reasons to make these 2 mods.

We took Eternity: The Dreaming Dark and just refined it as we went along, so it turned out the better of the two. I really felt the difference in Eternity's Endeavour. I worked on it right after Eternity's Endeavour was finished, so, since Eternity is a more "traditional" fantasy RPG (without the science fiction elements) and i started doing other stuff, Eternity's Endeavour was more "tweaked" (although, still with the newest graphics).

With Eternity's Endeavour i tried to recreate the "Eternal" feel by trying to keep the same geographical look, quest structure, etc..., in a more updated timeline (back in 2007 the world would be in a different place than it is now), in an ice-age (but, we can still have witches and vampires and tropical islands since ice-age doesn't change these things).

If you played Eternity, I think you will agree that we did pretty good. I tried to keep the years which had the modern technology the same as what we have now. For example, instead of using a
