watch saala khadoos (2016) full movie in hindi with high speed google drive link. the short story of this movies is the story of a former boxer who quits boxing following a fallout with the authorities over the underlying politics but goes on to coach a fisherwoman to fulfill his dream through her. this movie is based on action, drama, sport. the director has settled on a very particular filmstyle, which goes against the grain of telugu and tamil. the film does have its moments, especially when an actor tries his hand at a character and nails it. r. madhavan stands out, mostly for his utter excess (his characters are all over the place), but he also manages to get a few laughs. of the supporting cast, murali vijay and nanditha do their best, but the entire ensemble doesnt gel. for the most part, this feels like a re-telling of another film, not a fresh view of the genre. the same goes for the songs, which are a collection of hindi pop and tamil indie songs pastiched together. saala khadoos is a film with an agenda. its the story of a boxer who has lost her footing in a world which is rapidly changing. the film is about not just boxing but about the changing indian society as well. every line, every scene of this film is a statement. though its an impressive feat that the director has managed to infuse this with life, without diluting its message, the film comes across as a series of statements, but not well-assembled ones. this is an honest attempt at making a sports film in hindi, which is more than can be said for most of the local sports films (which are usually a hindustani remake). in addition to sports films, we also have a number of stories about people in the public eye, who are not necessarily sports persons. while the sports films arent revolutionary or are too populist in their appeal, the stories of the people are more interesting. 5ec8ef588b
